Just want to find a title or information? You can do it from the home page without logging in. In the search box, use basic words, title, author, subject, series. The results page comes up if there is more than one item connected to your search. If there is only one hit, that individual title will automatically come up.

Good news! The Utah Education Network received additional funding from the legislature for digital media licensing. This means now all Utah Educators and Students have access to the media licensed by the Utah Instructional Media Consortium. To view these videos, login using your my.uen account. Navigate to your personal page and click on the "eMedia" link under UEN Premium Services. Enter eMedia and search for videos using the quick search.
